

National Seminar

Intellectual Property Rights (IPR)

A national Level online seminar was organised by IQAC on “Intellectual Property Rights’ on 25th November 2021, through Google meet. As very less is known about IPR among the teachers, in fact it is the need of hour to conduct seminar on such topics. For the seminar, Prof Dr. R.K. Paridhan (Life Sciences) Pandit Ravi Shankar Shukla University, Raipur (Chattisgarh) was the invited speaker . The seminar was started with the recitation of Holy Quran. The seminar was inaugurated at the hands of Dr. Abdul Karim Salar, President IQRA Education Society, Jalgaon. In his introductory remarks Dr. Salar emphasized on the need and importance of IPR in higher education. Dr. Ayesha .F. Basit read the aims and objectives of the seminar while Prof. Dr. Firdousi of Botany department introduced the guests. As expected Dr. Paridhan spoke on the Patents, Copyrights, Research Articles and Drafting Skills. Principal Dr. Shujaut Ali, express the vote of thanks Nearly 26 faculties joined the seminar.

Iqra's H. J. Thim College of Arts and Science,
Mehrun, Jalgaon, Maharashtra

About Seminar :-

The One day National Seminar on Intellectual Property Rights : Patents, Copyrights, Research Articles and Drafting Skills focus on different aspects of IPR. Hands on training on patents searching and filling, how institutes and researchers to publish quality publications and convert their work in to patent. Institutions will get benefit to improve their rankings and research quality.

Objectives :-

To provide a framework to foster innovation and creativity in the areas of technology, sciences, and humanities by nurturing new ideas and research, in an ethical environment. To protect intellectual property (IPR) rights generated by faculty/ personnel, students, and staff of the academic institution, by converting their creative and innovative work into IP rights.

To lay down an efficient, fair, and transparent administrative process for ownership control and assignment of IP rights and sharing of revenues generated by IP, created and owned by the academic institution. Additionally, in cases of government funded research, the inventor(s)/ organization(s) should disclose their IP filings to the Government Agency(s) that have funded their research. To promote more collaborations between academia and industry through better clarity on IP ownership and IP licensing.

To create a mechanism for knowledge generation and its commercial exploitation. The purpose of IP commercialization is also to augment the financial self-sustenance goals of the academic institution & its labs.

About us :-

Iqra's H. J. Thim College of Arts & Science Mehrun Jalgaon is the only minority educational institution in Jalgaon district. In the field of education, the college is providing its services since last 30 years. The college has good record of students passing out with merit rank. Recently, the has faced third cycle of NAAC and has been reaccredited with B+.

PATENTS

- Indian Patents Act, 1970
- Which defines Patent as – "Patent" means a patent for any invention granted under this Act. The patent to whom a patent is granted is called the 'Patentee'.
- What is the nature this right. ?
- The Act conveys to the inventor substantive rights which he can enforce for his own advantage either by using it himself or by conveying the privileges to others.
